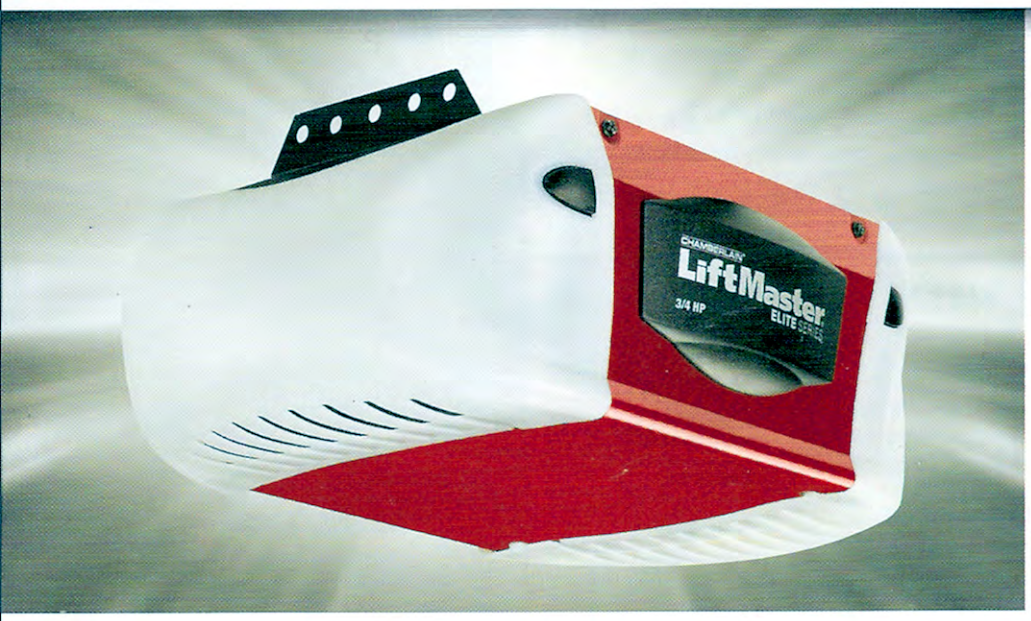
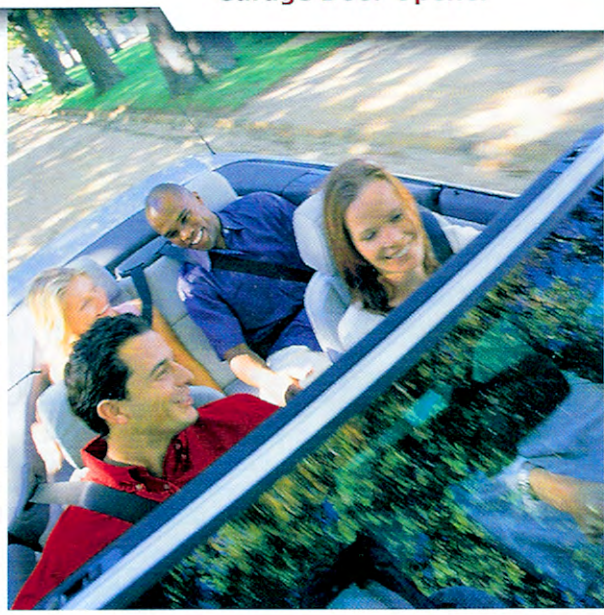
ELITE SERIES

3585

3/4 HP Belt Drive Garage Door Opener





THE ULTIMATE BLEND OF QUIET AND POWER.

When power and quiet are requirements, the 3585 delivers both.

Smooth-running super-quiet operation only our steel-reinforced belts and patented MVIS® system can provide. The 3585 delivers 50% more power to lift garage doors effortlessly with precision and whisper-quiet operation.

- 200-watt lighting
- Meets all UL325 requirements
- Lifetime motor and belt warranty

LiftMaster®, the only professionally installed openers with 3/4 HP strength.

ACCESSORIES INCLUDED

Premium Remote
Innovative design automatically streams brilliant blue lights from the push-button windows when you pass your hand over the remote.

Smart Control Panel™
Displays time, temperature and diagnostic messages in 3 languages. A motion sensor turns opener lights on "hands-free" and a convenient "learn" button easily programs remotes.

At Chamberlain, safety is a major part of our mission.
It's our commitment to you and, quite simply, the way we produce products every day. Our LiftMaster® products are designed to move the largest door in your home, safely, securely and by always putting safety first.
